**1 Safety Notice for Recreationists**

Always keep safety in mind while recreating this winter. Ice conditions on hydro-electric dam impoundments can change rapidly creating thin ice, exposed obstacles, cracks and other unsafe conditions. Please operate with extreme caution.

If traveling over a power line right-of-way, be cautious of guy wires and poles that may not be as noticeable during winter conditions.

**TRAIL SIGNS AND DESCRIPTIONS**  
 Many signs are used along the various snowmobile trails in our region. These are for your safety, as well as to protect property owners and other riders. Please familiarize yourself with, and obey, all signage. Thank you.

**TRAIL IDENTIFICATION**  
 These signs mark trails where land owners do not want you to ride. Please obey these signs.

**NO SNOWMOBILING**  
 These signs mark trails where land owners do not want you to ride. Please obey these signs.

**OBJECT MARKER**  
 Used to mark bridge abutments, fence posts, gates, openings or other hazards on the trail itself.

**STOP SIGN**  
 Used at each highway, private road, plowed dirt roads, railroad crossings or blind intersection.

**STOP AHEAD**  
 Used with the STOP sign, but is placed well before the stop to allow you to slow down.

**CAUTION**  
 Used prior to or at potential hazards. They may state on the bottom of the signs exactly what the hazards are, such as trees, water crossings, rocks, etc.

**DIRECTIONAL ARROWS**  
 Used prior to major changes on the trail.

**TRAIL BLAZE**  
 You will see these along the trail to reassure you that you are on a snowmobile trail.

**NO MOTORIZED VEHICLES**  
 Trail is not open to any vehicles, except snowmobiles.

**PLEASE STAY ON MARKED TRAIL**  
 Used when going through tree stands, or property of landowners who wish you to ride only on the designated trail, not off-trail riding.

**KATAHDIN LOOP TRAIL**  
 You will see these signs along the 120-mile loop trail around the Katahdin Region.
