

Winter Safety Notice for Recreationists

Always keep safety in mind while recreating this winter.

Ice conditions on hydro-electric dam impoundments can change rapidly creating thin ice, exposed obstacles, cracks and other unsafe conditions. Please operate with extreme caution.

If traveling over a power line right-of-way, be cautious of guy wires and poles that may not be as noticeable during winter conditions.

For questions, please call (207) 723-4341, ext. 134.
