INFORMATION

Twin Pine Camps is located on a point surrounded by water on 3 sides on Millinocket Lake. Breathtaking views of Mt. Katahdin can be seen from The Look. There are 10 log cabins and 1 large home that are full house-keeping with all bedding and towels provided. All cabins have heat and running water, complete kitchens and bathrooms and in the summer come with a canoe. You may wish to rent a motor boat for \$50 a day. We have an indoor jacuzzi and pool table in the Recreation hall. In the winter we have a complete line of ski-doo rental sleds and are on ITS-86. We are just 7 miles to the entrance of Baxter State Park.
