TRAIL SIGNS AND DESCRIPTIONS

Many signs are used along the various snowmobile trails in our region. These are for your safety, as well as to protect property owners and other riders. Please familiarize yourself with, and obey, all signage. Thank you.

TRAIL IDENTIFICATION
You will see these at the beginning and at the end of trails, as well as at major intersections.

NO SNOWMOBILING
These signs mark trails where land owners do not want you to ride. Please obey these signs.
NO snowmobiling

OBJECT MARKER
Used to mark bridge abutments, fence posts, gates, openings or other hazards on the trail itself.

STOP SIGN
Used at each highway, private road, plowed dirt roads, railroad crossings or blind intersection.
STOP

STOP AHEAD
Used with the STOP sign, but is placed well before the stop to allow you to slow down.
STOP AHEAD

CAUTION
Used prior to or at potential hazards. They may state on the bottom of the signs exactly what the hazards are, such as: trees, water crossing, rocks, etc.
CAUTION

DIRECTIONAL ARROWS
Used prior to major changes on the trail.

TRAIL BLAZE
You will see these along the trail to reassure you that you are on a snowmobile trail.

NO MOTORIZED VEHICLES
NO MOTORIZED VEHICLES EXCEPT SNOWMOBILES ON THIS TRAIL WITHOUT LANDOWNER PERMISSION
Trail is not open to any vehicles, except snowmobiles.

PLEASE STAY ON MARKED TRAIL
PLEASE Stay On Marked Trail
Used when going through tree stands, or property of landowners who wish you to ride only on the designated trail, not off-trail riding.

KATAHDIN LOOP TRAIL
Katahdin Loop Trail
You will see these signs along the 120-mile loop trail around the Katahdin Region.

Without you we'd be lost.

Riding in the Katahdin Region would not be possible without the support of private landowners and access to their lands.

Safety Notice for Recreationists
Always keep safety in mind while recreating this winter.
Ice conditions on dam impoundments can change rapidly creating thin ice, exposed obstacles, cracks, pressure ridges and other unsafe conditions. Please operate with extreme caution.
If traveling over a power line right-of-way, be cautious of guy wires and poles that may not be as noticeable during winter conditions.
